

1. Make a \$500.00 Donation for a one-year sponsorship which can be renewed in subsequent years.
2. In coordination with the sponsor, a 2' X 4' banner will be designed. The banner will be made by Horizon Signs and will hang on the Club's exterior fencing of our Centennial Park facility during our playing season (April-October). The cost of the banner will be covered by the Club.
3. Your company logo will appear on the home page of the Club's website, which is presently being re-designed and updated.
4. A link can be set up on your company logo, on the website, that will direct users to your company website.
5. Your company will be paired with one of our events, (Bowls South Islands Tournaments, visits from other clubs, or Club Trophy Events), and in any promotion of that event your company logo will be displayed.
6. This Sponsorship donation will go towards Club events, new equipment, equipment, and facility maintenance and will help to keep our membership fees low so that our seniors can "Play for Life."
